Dear Ones at home

Hear it is Sunday afternoon again, and a very warm day I have not found out about a tent yet. I have asked Mr F. about renting his house, but he has not given me any kind of an answer yet I wont ask him again, He has acted verry funny the last week, acts as though he dident want me here, last night he went down town and locked his bed room so I couldent get my clothes out, and he done the same thing this morning and went away He has got a cage of wine in his bedroom, I guess he is afraid I will get some of it, I don't want any of his old stuff

I shall move just as soon as I can get another place

2) This other man that is staying
here told me this morning that
Mr F. had a party that was
going to take two rooms and
pay $15.00 for them, just ~~two~~
two rooms, I suppose they ~~have~~
havent got any children
So I guess I will half to get
a tent, which I dont want to do
I suppose the Colony people will
make a big holler when I get
a tent, they are trying to make
the people take down the tents
that are up now. I dont know
what they will do about it
I tell you that this is no place
for a poor man to try and get
a home,
They are trying to run the small
contracter out all they can
Just these big fellows with

3) lots of money is all ~~sta~~ that
they want
Well the wild flowers are about
all gone now just a few lift
I wish you would write to
Mrs. Balderson and ask her about
getting some things of her for awhile
to camp out with. I will try
and have a talk with her
tomorrow and see if we can
camp near them so we can
get water
My watch has gone on the bum
again I dont know what is the
matter with it, it runs alittle
while and stops a while, I guess
Ill half to send it down and
have you get it fixed
I wish we had a home down ~~there~~
there some where, I think it would
be better for you than up here
as it gets colder ~~you~~ here

4) than down there, at nights
I thought I would get out to your ranch this morning, but didn't get around to it, had my washing to do and house to clean up a little and bed clothes put out and air and get a little sunshine, and took a bath and eat a little lunch and now am try to write a little, and it is almost 3 P.M. guess I will go down to P.O. with this pretty soon, and see if I get a letter from home only one letter so far seince I came back. I suppose you have been busy and haven't had time to write

Well I guess I will ring off as the flys bother me so and I getting sleepy

Goodby for this time
with Love to all from
Pap
